

Announcing: Special Discounts on Worldox GX2 to BCLMA Members

November 12, 2009 Ridgewood, NJ

World Software Corporation – a leading provider of enterprise document management solutions – today announced this special discount program in conjunction with the British Columbia Legal Management Association.

BCLMA members can now purchase Worldox GX2 for the special price of \$350.00 (USD). That's a \$45.00 savings off the regular \$395.00 retail price. This offer is effective today, November 12, 2009 and runs through October of 2010.

Worldox is the trusted document management choice for more than 3000 law firms worldwide. Worldox integrates directly with major Office Suites, email, accounting and productivity applications – even popular scanning solutions - offering unmatched document-handling flexibility. GX2 is the latest version of this award- winning software. GX2 delivers several exciting new features, plus numerous changes and enhancements to make Worldox even more intuitive and easy-to-use:

- “Worldox within Outlook” email integration
- New ways to collaborate and share projects
- Customizable views
- Multiple-document previewing
- A new, graphic interface for managing application integration
- “Ethical wall” security options, and much more

GX2 enhancements make an already powerful document-management program even more useful.
