Williams & Cluff PLC Converts to Worldox Document Management System from Cloud-Based NetDocuments *Phoenix-Based Law Firm Installs Worldox to Provide Efficiency and Productivity*

Glen Rock, NJ– **October 24, 2012** – [World Software Corporation](http://www.worldox.com)[®] (www.worldox.com), announces today that Phoenix-based law firm [Williams & Cluff PLC](#) has rolled out Worldox, the award-winning document management system (DMS), replacing the cloud-based NetDocuments DMS the firm had been using. Worldox has created significant improvements in performance and workflow for the firm.

Aaron Fritz of [Inertia Software Solutions LLC](#), a Phoenix-based legal practice workflow and technology expert, and Worldox systems integrator handled the conversion to Worldox from NetDocuments with assistance from the Worldox technical support team.

Brigham A. Cluff, Partner at Williams & Cluff PLC, explains, “The conversion to Worldox has been a very positive move. Worldox makes it easy to manage access and share documents. Making the switch to Worldox has yielded definitive results that directly benefit our firm’s productivity and efficiency.”

World Software President Ray Zwiefelhofer commented, “We are pleased that Williams & Cluff PLC converted to Worldox. Our responsibility is to help customers streamline their workflow, support their productivity, and assist with any unique needs to ensure that Worldox has a positive impact.”
