World Software Corporation's Worldox Earns Top Document Management Honors in 2009 Law Technology News (LTN) Awards

Ridgewood, NJ - January 12, 2010 - **World Software Corporation**® (**www.worldox.com**), a leading provider of document management systems for legal markets, announced today that, for the fifth time, Worldox has **won the top *Gold level award for Document Management Systems*** in the 2009 LTN 7th annual Vendor Awards program.

In addition, Worldox/Web Mobile, used by clients to access Worldox online anytime, from anywhere, scored a ***Bronze in the Mobile Tool/Device/Service category***.

Law Technology News's more than 40,000 subscribers voted online for products and vendors that represented outstanding achievement in legal technology in 25 categories.   Their votes were tallied to determine this year's LTN Award winners.

Monica Bay, Editor-in-Chief of Law Technology News, says, "We congratulate the 2009 LTN Award winners, and applaud their creativity and innovations. The awards dramatically illustrate how our community is determined to develop and adopt superb technologies that help legal organizations deliver better, faster, and cheaper legal services in these turbulent economic times."

"We are deeply grateful for this recognition by the readers of Law Technology News," said Ray Zwiefelhofer, President of World Software Corporation. "I want to thank Law Technology News editors as well, and the legal community, for honoring our efforts and expertise in legal technology."

The awards will be presented at LegalTech New York on February 1, 2010. Details on the awards and winners will be featured in the March 2010 issue of Law Technology News and on the magazine's Web site at www.lawtechnologynews.com.
