Worldox Document Management Software Wins Gold
2010 Law Technology News Vendor Award
World Software's Product Takes Top Honors for the Sixth Time

RIDGEWOOD, NJ – December 8, 2010 – World Software Corporation® (www.worldox.com) today announced that its flagship product Worldox has won top honors in the 2010 *Law Technology News* Vendor Awards, taking home the Gold award for document management for the sixth time.

The results of the 2010 *Law Technology News* Vendor Awards are based on the LTN Technology Satisfaction Survey compiled from a nationwide sample of the senior individuals involved in recommending or purchasing legal technology products for law firms. The 2010 award winners have this year been acknowledged for outstanding performance across all categories.

More information about the evaluation criteria for the awards can be found at http://tinyurl.com/26kr4zu. Award winners will be recognized at LegalTech® New York in January 2011 and the full results are available on *Law Technology News*.

Ray Zwiefelhofer, President of World Software, comments, "We are thrilled that Worldox has won a Gold LTN Award again this year and are grateful to ALM for diligently tabulating the results. On behalf of our founders, employees, resellers and customers, I am proud to accept this award which proves once again that Worldox is one of the most widely used, well-supported and greatly esteemed products in the legal technology industry."

"The companies and products honored here represent the best of the best in terms of service and value," said Kevin Iredell, Vice President, ALM Legal Intelligence. "These winners can feel proud that their products and services have gained the respect and recognition of the industry."
