

## Worldox continues celebrating our 30<sup>th</sup> Anniversary

In recognition of this auspicious event, we are offering a conference special!

Our 30 for 30 Cloud deal offers the Worldox Cloud at \$30 per user per month for the first 12 months. Thereafter, the price will be \$44 per user per month.

All new Worldox customers as well as existing Worldox customers who are not already using Worldox Cloud are eligible to receive this pricing.

Visit our booth at either the [ABA Techshow](#) or at the [ALA Annual Conference & Expo](#) to get a special discount code. If you are working with one of our Value-Added Resellers already, please indicate which one when you see us at the booth. If you are not already working with one, our Sales team will assign one to work with you.
