### CALFEE, HALTER & GRISWOLD LLP INCREASES EFFICIENCY BY INSTALLING WORLDQX GX2 AND PRODUCTIVITY SUITE

GLEN ROCK, NJ – JUNE 6, 2011 - [World Software Corporation](http://www.worldox.com)<sup>®</sup> ([www.worldox.com](http://www.worldox.com)), the company behind the award-winning [Worldox<sup>®</sup> Document Management System](#) (DMS) software, today announces that Cleveland law firm [Calfee, Halter & Griswold LLP](#) (Calfee) has upgraded to Worldox GX2 and installed the [Worldox Productivity Suite](#).

Calfee, a full-service, corporate law firm with Fortune 500 customers, has used Worldox for the past 13 years to provide its 300+ employees with superior document management.

The Workspaces Module in Worldox GX2 has been particularly useful to the firm. Extending the capabilities of their custom-designed profiling system and text-searching, the Workspaces feature gives Calfee's users many additional options for grouping and organizing documents, thereby improve efficiency and reducing errors.

According to Sue Zavesky, Calfee's User Services Manager, "Worldox GX2 is extremely stable and the Productivity Suite's features are incredibly useful for our attorneys and staff. We are particularly benefiting from GX2's new Workspaces feature, which allows law practice groups to share and manage documents more effectively. Worldox has a definite fan base at our firm and their development and tech support teams have been fantastic to work with."

Benefits of the Worldox GX2 Workspaces Module include:

- Allows users to group or link selected documents for a specific purpose, irrespective of profile status.
- Enables any user that has been granted access to a project to modify both the project and the documents without changing profile status.
- Provides fast and easy access to just the most important documents in a Client or Matter folder without changing or altering the documents' location.

World Software President Ray Zwiefelhofer remarks, “We are pleased that Calfee had a successful Worldox GX2 upgrade and installed the Worldox Productivity Suite. GX2’s Workspaces Module is a significantly enhanced version of Worldox projects including enhancements to improve our customers workflow. We value our longstanding relationship with Calfee and appreciate their feedback and suggestions, many of which have inspired items in our development pipeline.”
