World Software Debuts Worldox GX2 at ILTA Annual Conference

August 24th, 2009 – Ridgewood NJ - World Software Corporation, a leading provider of enterprise document management solutions, today announced the availability of Worldox GX2, the latest version of its award winning document management solution. Worldox GX2 advances World Software’s 20 year tradition of producing robust, full featured document management software for legal and other industries.

This latest version delivers an exciting array of new features and functions that will increase productivity and ease of use for customers to maximize their investment in Worldox. As with prior releases, Worldox GX2 is free of charge to our existing maintenance customers.

Worldox GX2 brings major enhancements to this new version such as –

- **“Worldox inside Outlook”**
Provides ONE seamless interface to manage all your emails and documents.
- **“Workspaces” – Meta-folders**, Subscription based repository containing documents from any folder or (WORLDOX) Projects, personalized by user- a/k/a “My Workspaces”; the ultimate collaboration repository. Also includes new features - “Drag & Drop” of documents to Workspaces, and “Views” – Special search template for use with Workspaces to provide filtered file lists.
- **Customizable file locations for Archive, Record or Salvage repositories**
Worldox Document Retention Module allows alternate locations for Archive, Records or Salvage repositories.
- **“Ethical Wall” enhancements**
 - Enables ethical wall settings down to the folder level.
 - New three pane, cascading interface - enables customers to apply security settings faster, easier and more confidentially.
- **“Cloud”** visual filtering of file lists.
- **Multiple and re-sizeable** document pre-viewing panes.

- **Folder Tree & List view enhancements.** The folder tree now shows profile field descriptions alongside the profile field codes and auto-expands when given focus to make navigation easier.
- **Graphical interface** for managing custom application integration.

Worldox GX2 will be shipping for new customers installations on September 1, 2009 and available for existing customer upgrades November 1st, 2009
