Co-founder, CEO and Chairman of the Board Thomas W. Burke said, "Over these past 25 years, World Software Corporation has grown continuously. Worldox has achieved superior critical mass, install base, and reputation compared to virtually any other competitor in the industry. With our primary focus and performance on product and support excellence, and a customer-first priority, our staff and Worldox resellers are providing the highest value product solution in the market. With an exciting array of new mobile, internet, Enterprise and Cloud technologies, backed up by a 25-year history of 23 successful product releases, World Software Corporation is

well-positioned to further extend its dominance in the legal technology marketplace for the next 25 years and beyond.”

The legal department of International Finance Corporation (IFC), World Bank Group is one of World Software’s most longstanding customers, having bought Worldox in 1993 when the software debuted. Paul Jennings, IT Information Analyst at IFC commented, “Congratulations on 25 years! Well done! IFC Legal department has used Worldox since 1993. Currently we have 150 users. I have supported the product since 1995 and I can say that Worldox has the best customer support of any company I’ve ever dealt with, bar none!”

Ray Zwiefelhofer, President of World Software Corporation, commented, “We are extremely proud to be celebrating 25 years in the legal industry. We want to thank our clients and Worldox resellers for their tremendous support and input, which has helped us provide more comprehensive and successful software. Also, I would like to thank our staff at World Software for their hard work and continued dedication.”
