

## **For Immediate Release**

### **ILTA 2013 Technology Survey Ranks Worldox in the Top Three Most Popular Document Management System (DMS)**

**Glen Rock, NJ– December 16th, 2013** – [World Software Corporation® \(www.worldox.com\)](http://www.worldox.com) shares the good news that the Worldox document management system (DMS) continues to excel in key areas of the International Legal Technology Association (ILTA) 2013 Technology Survey. The privately-owned World Software has a solid and loyal customer base of over 5500 customers. Worldox pulled in high ratings from satisfied clients for many features, including trust-worthy ethical walls, document management, email and electronic records management and vendor excellence.

#### **Worldox Ethical Walls Feature Still Rated Highly**

In the ethical walls category, Worldox is the #1 choice for law firms with fewer than 149 attorneys, and ranked second choice in overall responses. The Worldox ethical walls feature is built into the DMS and is included in its standard license price, so Worldox sites can use it without additional cost.

#### **Worldox Email and Electronic Records Management Usage Has Increased by 40%**

Worldox is rated as one of the top three companies for email and electronic records management category and the first choice for firms under 149 attorneys. Usage of email integration with Worldox also increased by 40% since 2012.

#### **Worldox is a Top-rated Document Management System (DMS) for Firms with Fewer than 349 Attorneys**

Worldox is in the top 3 most popular document management system (DMS) for law firms with 349 attorneys or fewer. World Software Corporation continues to be a leader in the legal technology industry and is dedicated to customer satisfaction. For 25 years, Worldox has been the most widely-used DMS in the legal market.

#### **Worldox Achieves Vendor Excellence Ranking for Quality, Support, Pricing**

In the vendor excellence category, Worldox is the only document management system (DMS) to be listed for outstanding product support, quality and pricing. Worldox is rated highly for quality alongside prestigious public companies such as Dell, Cisco, HP and Microsoft.

World Software President Ray Zwiefelhofer commented, "We are pleased that Worldox was highlighted in ILTA's Technology Survey. Our growth, versatility and dedication to excellence have clearly been recognized by the ILTA membership."

## **The ILTA '13 Technology Survey**

The International Legal Technology Association [ILTA '13 Technology Survey](#) is an independent publication that provides relevant data from almost 500 large and mid-sized ILTA law firms, comprising over 88,000 lawyers and over 189,000 total users. The survey chronicles common trends and market share information for several commercial software vendors to aid law firms and practices in their technology governance.
