## FOR IMMEDIATE RELEASE

### **AdvoLogix Announces New Worldox Integration: Legal Technology Leaders to Deliver Law Practice Management Solution**

SUGAR LAND, TX—[AdvoLogix](http://www.advologix.com)<sup>TM</sup>, a leading cloud-based law practice and legal matter management solution provider, announces a partnership and product integration with World Software Corporation®, the makers of [Worldox](http://www.worldox.com)®, the award-winning and globally recognized document and email management solution. AdvoLogix and Worldox have collaborated to integrate their legal solutions to provide context-sensitive access to documents in Worldox from the AdvoLogix matter management solution.

The AdvoLogix cloud-based enterprise platform automates and simplifies unique business processes and provides a feature-rich suite of core functionality including: matter management, contact management, calendar and docketing, time and expense tracking, mobile device support, and document and email management. Unique in the legal marketplace for being built cloud-first on the Salesforce® Force.com platform, AdvoLogix offers integration with thousands of applications to allow legal practitioners to extend the solution to meet business needs. The flexible and scalable AdvoLogix legal matter management solution offers customization, mobility, optimal security and management for legal matters.

Providing organization, clarity, and consistency of intellectual property, the comprehensive Worldox document management solution offers control and categorization of electronic documents and email content for over 270 file formats, without the use of source programs. A powerful and intuitive interface, Worldox provides enhanced features for users to index, search, profile, retrieve, archive, and create lifecycles of files to accelerate and streamline document management.

Integration from the technology leaders allows legal practitioners to reduce cycle time and streamline business objectives. “The AdvoLogix integration with Worldox allows users to take advantage of cloud-based legal matter management and also link to in-context documents housed in Worldox,” said Jonathan Reed, AdvoLogix CEO and Co-Founder.

Ray Zwiefelhofer, President of World Software Corporation, stated, “We are pleased to have AdvoLogix in the Worldox Partner Ecosystem. Our customers expect not only improvements from our core products, but for us to continually enhance and expand integrations and partnerships to enhance the firm’s workflow through product integrations.”

The AdvoLogix and Worldox integrated solution has received high acclaim by users; implementation has begun globally by Peter Brannigan, President of [Ardmore Consulting](http://www.ardmoreconsulting.com), a Premier Worldox Systems Integrator. “Individually, Worldox and AdvoLogix provide us with world-class solutions for our records management needs, and managing clients and matters. The Worldox link created by Ardmore Consulting greatly enhances the functionality of AdvoLogix by enabling our team to keep its matter-centric focus, and avoids the need to jump between the tools to access records. The AdvoLogix-Worldox connection is an essential part of
