

Scans documents directly into Worldox, via on-screen buttons/choices.  
Here Equitrac is being used to scan and profile at the same time:

The screenshot displays the Equitrac TouchPoint™ interface. At the top left is the Equitrac TouchPoint™ logo, and at the top right is the status "Ready".

On the left side, there are three input fields:

- Client ID:** 00951, V & R HOLDINGS INC.
- Matter ID:** 00085, TRIAL SEPARATION
- Scan Destination:** Scan to Worldox

The central area shows a document preview titled "Equitrac TouchPoint™ Document Capture". Above the preview is a blue bar with an information icon and the text "Total Scan Count: 2". Below the preview is a blue bar with "Page 2 of 2" and left/right navigation arrows.

At the bottom of the central area are two buttons: "Accept" (with a green checkmark) and "Cancel" (with a red X).

On the right side, there is a vertical stack of control buttons:

- Next (play button icon)
- Interrupt (stop button icon)
- Hold: 03:33 (stopwatch icon)
- Complete (fast forward icon)
- Next Scan (upward arrow icon)

At the bottom of the interface, there are three buttons: "Disburse" (with a calculator icon), "Fax" (with a fax machine icon), and "Release" (with a document icon).

In the bottom left corner, the user information is displayed: "jsmith", "TPCDemoVM / Printer 5 - SDR", and "1/25/2010 2:51:20 PM".
