

Enjoy the convenience of Worldox® on your iPad® or iPhone®

Access your most essential documents while you're on the go with the Worldox app on the iPad or iPhone!

- Access to the same Worldox search forms, Favorite Files and bookmarks that exist in the desktop app
- Access to folder trees for each cabinet in the navigation panel
- Access to Workspaces and Favorite Matters
- Follow Me Favorites technology knows which files you worked on recently and then presents these choices for quick filing and navigation. The Favorite Matters you access with other Worldox products are the same Favorite Matters on your iPad or iPhone.
- Preview documents
- Email files
- Ability to download and edit documents
- Use Quick Profiles with the Save As feature
- View Worldox screens and file lists in portrait or landscape mode
- Check in modified files
- Profile and upload new documents into Worldox
- Direct Access shortcuts
- Option to copy files to Dropbox, OneDrive or Citrix ShareFile for easy sharing
- Take photos with your iPad or iPhone and profile the images directly into Worldox

Access core Worldox features from the road.

Download Worldox for iPad or iPhone free of charge at the iTunes app store.
