Worldox is celebrating our 30th Anniversary this year!

In recognition of this auspicious event, we are offering a special deal from now through December 31, 2018!

Our 30 for 30 Cloud deal offers the Worldox Cloud at $30 per user per month for the first 12 months. Thereafter, the price will be $44 per user per month.

All new Worldox customers as well as existing Worldox customers who are not already using Worldox Cloud are eligible to receive this pricing.

To initiate the process please contact Worldox Sales at sales@worldox.com. If you are working with one of our Value-Added Resellers already, please indicate which one in your email. If you are not already working with one, our Sales team will assign one to work with you.

When placing the order, please remember to include the discount code *30for30* to get the rate of $30 per user per month for the first 12 months.
